**Director's
Notes**

Many years ago - Christopher Columbus, an explorer, believed that the world was round. Everybody laughed at him. He asked King Henry VII to provide him with

a ship so that he could prove that he was right. The king refused - FACT. But what if Henry Tudor had agreed?

Sit back and enjoy the fun, fantasy and *fiction* of what might have been..... I guarantee that you too will laugh at *Christopher Columbus*.

Pauline Mills
